

How to **e-fundraise** in five easy steps

1

Go to

<http://www.bmycharity.com/rockinghorse>

2

Click on 'e-fundraise' and register

3

Choose your fundraising activity from the list – if it's not there choose "General Fundraising"

4

Follow the on-screen tips to set up your personal homepage and save it for all to see

5

Email your homepage address to your friends, family and colleagues

Done!

Relax – we'll email you (and them) whenever anyone makes a donation through your site – and the funds will go straight to the charity, so there's no paperwork for you!
